### **Scope**

### **Reference**

PRJ 1394

### **Description**

North Central London Integrated Care Board (NCL ICB) are proposing to procure two new Mental Health Employment Support services for the sector.

Contract 1: Individual Placement and Support (IPS) for people with severe mental illness.

Contract 2: Employment Advisors in the NHS Talking Therapies for anxiety and depression programme.

We are considering a possible third service element comprising of employment support

interventions for any adult in NCL with a mental health diagnosis.

To assist the ICB with testing its assumptions around the proposed two services, this Market Engagement Questionnaire (MEQ) has been published to explore the market's feedback on the following areas:

1. Outline of services' requirements
2. Timescales for procurement and mobilisation of the new contracts
3. Proposed contracts' duration

## Background

The NCL Mental Health Employment Support services would cover four of the five boroughs of North Central London (Barnet, Enfield, Haringey and Islington). Camden are not included as they have completed a separate procurement for 2025/26 to 2026/27.

## Aims

The aims of the services are to:

Empower residents with mental illness, particularly those who face the most disadvantage, to secure and retain good quality jobs that are well paid, or engage in other vocational activities

Deliver coordinated mental health employment support referral and delivery models across NCL

Improve access, efficiency, and equity of employment support whilst reducing unwarranted variation and driving cost-efficiency

Ensure residents receive a high quality and tailored intervention

Standardize referral management and other pathways across the boroughs

Improve data collection, system intelligence and reporting

Identify opportunities further develop and improve the employment support offer, through collaboration and integration

## Contract Details

Individual Placement and Support (IPS) for people with severe mental illness

The indicative annual contract value will range from £2m (year 1 - FY2627) - £2.4m (year 3- FY2829) over the three years of the contract period. The range reflects increased access targets over the 3 years.

Expected IPS SMI access targets. These are subject to change following confirmation from NHSE.
