On such occasions this Legal Services Framework will supplement the legal services supplied by DSO. The Framework Agreement will contain five (5) Lots for the provision of legal services as described in the Framework Agreement Specification. The three highest ranked tenderers for each of the 5 Lots will be awarded a place on the Framework Agreement (in the event there is an insufficient number of tenderers which satisfy the qualification criteria and pass the Assessment Criteria for each Lot, a Lot may be established with this lower number of tenderers). Tenderers can tender for one, multiple, or all Lots. It means the public purse is not getting what it is paying for. If a Supplier fails to reach. satisfactory levels of contract. performance they will be given a specified time to improve. If, after the specified time, they still fail to reach. satisfactory levels of contract. performance, the matter will be escalated to senior management in CPD for further action. If this occurs. and their performance still. does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave. professional misconduct. and they may be issued with a notice of Unsatisfactory Performance and the contract may be terminated.. The issue of a notice of. Unsatisfactory Performance will result in the Supplier being excluded from all procurement competitions. being undertaken by Centres. of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for a period of twelve months from the. date of issue of the notice. . CPD will comply with the Public Contracts Regulations 2015 and, where appropriate, will incorporate a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of Framework Agreement is communicated to tenderers. That notification will provide full information on the award decision. This provides time for the unsuccessful tenderers to challenge the award decision before the framework Agreement is entered into.
