Islington Council is committed to early intervention and prevention and in 2023 published Fairer Together – a strategy for early intervention and prevention in Islington

In Islington, we see early intervention and prevention as: proactive not reactive, focused on building capacity and relationships, joined up, rooted in communities and reducing the need for crisis or statutory services.

Islington Adult Social Care's vision is for the borough to be a place made up of strong, inclusive and connected communities, where regardless of background, people have fair and equal access to adult social care support that enables residents to live healthy, fulfilling and independent lives.
