II.1.4) Short description

United Utilities are releasing a Dynamic Purchasing System (DPS) to fulfil all requirements relating to the 3rd party provision of Process Instrumentation Services across the Company's estate. The Company operates an extensive range of asset types and manufacturers that requires a varied and flexible supply chain to support Company Personnel in the event of a competency or capacity shortfall. All aspects of Instrumentation Services shall be within scope of this procurement, including but not limited to: servicing, repair, calibration, verification and commissioning. This DPS shall serve as the only route for 3rd party unsupported Services (i.e. Services with no CDM Regulations) in the Instrumentation category.
