**Award criteria**

<b>Name</b>	<b>Description</b>	<b>Type</b>	<b>Weighting</b>
Methodology and timeframe	The bidder will provide a project proposal outlining in detail the approach, methodology and timeframe they would propose to deliver this project and engage with the internal project team.	Quality	33.35%
Experience in similar projects	The bidders will explain their track record in the provision of monitoring and evaluation services; how this aligns with the heritage sector and with Archives Revealed's funding organisations; and provide examples of previous customers. Please include the contact details of one relevant organisation from whom we can obtain a telephone or written reference, should we choose to do so.	Quality	25%
Team composition and management	The bidder will explain their experience in providing similar services and provide at least two examples of recent outputs and evaluation reports. These will only be used for assessing suppliers as part of the evaluation process.	Quality	16.66%

Name	Description	Type	Weighting
Pricing	This should include whether VAT is included, a breakdown of each person working on the project and what their day rates are, as well as how many days each member of the team will be allocated, as well as any budgeted expenses.	Price	16.66%
Social Value	How bidder's proposed approach and methodologies will consider social value in delivering the evaluation. We would recommend that applicants focus their response on managing the environmental impacts of your proposal.	Quality	8.33%

## Other information

### Payment terms

An indicative payment schedule is included in the Invitation to Tender document attached to this published notice. This schedule is linked to milestone delivery.
