Changes to notice

This notice has been edited. The [previous version](#) is still available.

Updated RFQ

- Enquiry deadline: 7th April 2025, 5:00pm

- Tender submission deadline: 28th April 2025, 5:00pm

Added Q&As document

Added BG152_100 Specified Bill - for information

Scope

Reference

NEME240225KPWC

Description

We wish to appoint an environmental contractor to create a new wetland system to tackle diffuse pollution impacting Lindisfarne Site of Special Scientific Interest (SSSI). The project seeks to replace an existing open field ditch with a larger wetland area to slow the flow of water through the system and increase the potential for the uptake of nutrients and settlement of sediments. The work is funded through the LIFE WADER Project LIFE20 NAT/UK/000277.

Total value (estimated)

- £40,000 excluding VAT
- £48,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 4 August 2025 to 31 October 2025
- 2 months, 28 days

Main procurement category

Works

CPV classifications

- 45262640 - Environmental improvement works

Contract locations

- UKC - North East (England)

Participation

This procurement is reserved for

UK suppliers

Particular suitability

Small and medium-sized enterprises (SME)

Submission

Enquiry deadline

7 April 2025, 5:00pm

Tender submission deadline

28 April 2025, 5:00pm

Submission address and any special instructions

To apply for this opportunity you must submit your quotation meeting the requirements detailed in the Request for Quotation (RFQ) attached. Your response must be sent to mark.renfrey@naturalengland.org.uk by 17:00 on 07/04/2025.

If you have any clarification questions linked to this opportunity or the procurement process please submit these via email to mark.renfrey@naturalengland.org.uk. Please note that, unless commercially sensitive, both the question and the response will be circulated to all tenderers.

Tenders may be submitted electronically
