## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

Negotiated procedure without prior publication<sup>1</sup>. The COVID-19 outbreak is a Public Health Emergency of International Concern as declared by the World Health Organisation on 30 January 2020. The WHO Director General characterised COVID-19 as a pandemic on 11 March 2020.<sup>2</sup> A key element of ensuring an effective response to the pandemic is ensuring that there is adequate testing. Subsequently securing sufficient logistics capacity in order to maximise testing capacity is crucial.<sup>3</sup> DHSC is satisfied the tests permitting use of the Negotiated procedure without prior publication (Regulation 32(2)(c)) are met:<sup>A</sup>. As far as is strictly necessary: Increased logistics capacity to increase the amount of tests was identified as strictly necessary to meet the demand to scale up the testing programme in the UK.<sup>B</sup> There are genuine reasons for extreme urgency: It is responding to COVID-19 immediately because of public health risks presenting a genuine emergency.<sup>C</sup> The events that have led to the need for extreme urgency were unforeseeable: The Commission itself confirmed: “The current coronavirus crisis presents an extreme and unforeseeable urgency – precisely for such a situation our European rules enable public buyers to buy within a matter of days, even hours, if necessary.” (Commissioner Breton, Internal Market, 01.04.2020).<sup>D</sup> It is impossible to comply with the usual timescales in the PCR: It is not possible to comply with the timescales of another procedure due to the urgent requirement to ensure logistics capacity increases with the necessary demand.<sup>E</sup> The situation is not attributable to the contracting authority – DHSC has not done anything to cause or contribute to the need for extreme urgency
