Tenderers are invited to bid for all or any of the lots. However, tenderers shall note that the maximum number of lots a tenderer can be awarded is two, and tenderers are not able to be awarded both lots at a single Authority waste facility. For example, a tenderer may bid for all four lots, but the maximum the tenderer can be awarded is one lot from Farington Waste Recovery Park (Lot 1 or Lot 2) and one lot from Thornton Waste Recovery Park (Lot 3 or Lot 4). The only exception to this will be if there is only one tenderer for Lot1/Lot2 or Lot 3/4, in which case, subject to agreement with the tenderer, and subject to that tenderer having the relevant capacity at the Provider facility to accommodate both lots following evaluation of all lots, a tenderer may be awarded both lots at a single Authority waste facility and be awarded up to a maximum of four lots.
