II.1.4) Short description

Scottish Borders Council is seeking to establish a multi lot, multi supplier Framework Agreement for the provision of subcontractor services. It is anticipated that SBc Contracts (the Councils Significant Trading Organisation) will be the main users of the Framework Agreement although other Council services can also access it as can The Scottish Borders Housing Association who are named participants.

The Framework Agreement will support and supplement the delivery of the Council's in-house capital projects and the roads maintenance programme on an as and when required basis to meet service demand and where there is a need to utilise specialist contractors.
