II.2.4) Description of the procurement

NHS Birmingham and Solihull CCG have a requirement for 15 High Dependency Unit Rehabilitation and Recovery beds for males which must be sited within the Birmingham and Solihull CCG footprint. This is intended to reduce the CCGs need for out of area placements, meeting the local need within their geographical footprint and delivering the care required in line with National policy as part of the CCG's "Transforming Rehabilitation for Serious Mental Illness" programme. These will not represent new beds but will be a repurposing of existing capacity to be delivered locally and to meet known need within a reasonable timeframe.

The CCG intends to seek a 5-year contract with an expected bed cost of c.£440/bed/day with the overall cost of the contract expected to be in the region of £2.5m/annum and c.£12m over the life of the contract. In line with regulation 75(1)(b)(iv), the CCG does not intend to issue any further notice with regard to this requirement and is inviting interested economic operators to express their interest in writing. The form of their expression of interest will be specified on the EU Supply portal and will determine the next steps the CCG intends to take in terms of any resultant procurement process.

II.3) Estimated date of publication of contract notice

6 April 2022

Section VI. Complementary information

VI.3) Additional information

This process and any subsequent associated procurement process are being advertised in accordance with the requirements of the Public Contract Regulations 2015 (as amended) (the “Regulations”) to the extent that the Regulations relate to services within the scope of Schedule 3 thereto (Social and Other Specific Services). The Commissioner and AGCSU are, therefore, bound only by those parts of the Regulations applying to Schedule 3 services (also known as the “Light Touch Regime”).
