Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Osteo-odonto-kerato-prosthesis (OOKP) Service

Reference number

43621

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

Osteo-odonto-keratoprosthesis (OOKP) is a highly specialist surgical intervention that can restore meaningful vision to patients suffering from end stage corneal blindness, and for whom conventional corneal surgery is not possible for reasons such as severe 'dry eyes' that causes heavy scarring of the cornea. Osteo-odonto-keratoprosthesis (OOKP) uses the patient's own tooth root and alveolar bone to support an optical cylinder and is only considered in end stage corneal disease when there is no other available treatment to restore sight. NHS England would like to identify NHS Trusts who are interested in delivering these services in accordance with the specification.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 85000000 - Health and social work services
- 85100000 - Health services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

NHS Arden and Greater East Midlands Commissioning Support Unit (AGCSU), on behalf of NHS England (referred to as the Commissioner), is seeking to establish OOKP services and are inviting interested providers to submit their Expression of Interest for this service. The service is a Schedule 3 Service and is being procured under the Light Touch Regime (LTR) of the Public Contract Regulations 2015. A specification detailing the service being Commissioned is attached.

Osteo-odonto-keratoprosthesis (OOKP) is a highly specialist surgical intervention that can restore meaningful vision to patients suffering from end stage corneal blindness, and for

whom conventional corneal surgery is not possible for reasons such as severe 'dry eyes' that causes heavy scarring of the cornea. Osteo-odonto-keratoprosthesis (OOKP) uses the patient's own tooth root and alveolar bone to support an optical cylinder and is only considered in end stage corneal disease when there is no other available treatment to restore sight. NHS England would like to identify NHS Trusts who are interested in delivering these services in accordance with the specification.

NHS England is looking to gauge the potential market interest for providing these services and would like to hear from suitably qualified and experienced providers with the necessary capacity and capability (or a demonstrable ability to acquire the necessary capacity and capability within the requisite timescale, which will be notified to Potential Bidders following this Expression of Interest exercise).

Providers willing to Express an Interest will be required to respond to a series of questions which are scored on a "Pass/Fail" basis. The scoring criteria for each question is stipulated within the question. Only providers who score a "Pass" on all "Pass/Fail" questions will be deemed compliant & capable. Depending on the outcome of the Expressions of Interest, the Commissioner reserves the right to direct award to provider(s) with no further competition where there is a single provider expressing an interest in a Lot and scores a "Pass" on all "Pass/Fail" questions.. Depending on the number of providers who Express an Interest and score a "Pass" on all "Pass/Fail" questions, then the Commissioner may seek to undertake a Provider selection process.

The deadline for expressions of interest is 12:00 hrs midday on the 26th May 2021. No expressions of interest after this time will be accepted. There will also be an opportunity to attend a market engagement event via Microsoft Teams at 4pm on Wednesday 5th May 2021. If you would like to participate in this event, please email josselin.canevet@nhs.net by 12pm on Tuesday 4th May 2021 . All slides and questions and responses will be made available to all bidders following the event.

To register your interest please follow this link <https://uk.eu-supply.com/ctm/supplier/publictenders?B=UK> and either login or register on EU Supply and search from ID number 43621 then answer all the questions and submit your response by 12:00 hrs midday on the 26th May 2021.

II.2.14) Additional information

Commissioners may seek to undertake a procurement process with shortlisted providers where competition for Lots is present, provided each provider scores a "Pass" on all "Pass/Fail" questions and these will be notified of next steps accordingly.

II.3) Estimated date of publication of contract notice

28 June 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
