Framework operation description

NHS Supply Chain seeks to establish a Infusion Pumps, Administration Sets and Associated Products 2026 Framework intended to cover Electrical and Battery-Operated Infusion Pumps, Pump Dedicated Administration Sets, Gravity Administration Sets, Disposable Infusion Pumps and Peripheral IV Site Monitoring Devices.

It is anticipated that in the first 12 months of the Framework Agreement the value of purchases will be circa £80,000,000.00 however this is approximate only. however this is approximate only and may vary depending on requirements of bodies purchasing under the Framework. The Framework Agreement between NHS Supply Chain and successful Tenderers will reserve the right to purchase the same or similar supplies from Tenderers not appointed to the Framework at its sole discretion.

NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase Tenderers which it will make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector. Only NHS Supply Chain can order from the Framework Agreement and enter into contracts under it.

Award method when using the framework

With competition

Contracting authorities that may use the framework

Establishing party only

Participation

Legal and financial capacity conditions of participation

Lot 1. Electrical and Battery-Operated Infusion Pumps

Lot 2. Pump Dedicated Administration Sets

Lot 3. Gravity Administration Sets

Lot 4. Disposable Infusion Pumps

Lot 5. Peripheral IV Site Monitoring Device

The Contracting Authority reserves the right to require groupings of entities to take a particular form, or to require one party to undertake primary legal liability or to require that each party undertakes joint and several liability.

Particular suitability

Lot 1. Electrical and Battery-Operated Infusion Pumps

Lot 2. Pump Dedicated Administration Sets

Lot 3. Gravity Administration Sets

Lot 4. Disposable Infusion Pumps

Lot 5. Peripheral IV Site Monitoring Device

- Small and medium-sized enterprises (SME)
- Voluntary, community and social enterprises (VCSE)

Submission

Enquiry deadline

26 February 2026, 3:00pm

Tender submission deadline

5 March 2026, 3:00pm

Submission address and any special instructions

The Framework Agreement will be between NHS Supply Chain and the Tenderer, however 1) NHS Supply Chain, 2) any NHS Trust; 3) any other NHS entity; 4) any government department, agency or other statutory body and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Tenderer for any of the supplies and/or services under the Framework.

Electronic ordering will be used and electronic invoicing will be accepted and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Applicants that the framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal at <https://nhssupplychain.app.jaggaer.com//> using the Message Centre facility linked to this particular contract notice.

INSTRUCTIONS FOR REGISTRATION AND PORTAL ACCESS

Submission of expression of interest and procurement specific information:

This procurement exercise will be conducted on the NHS Supply Chain eTendering portal at: <https://nhssupplychain.app.jaggaer.com//>

Suppliers wishing to be considered for this contract must register their expression of interest and provide additional procurement-specific information (if required) through the NHS Supply Chain eTendering portal as follows:

Registration.
