## Major Projects Framework

ANGLIAN WATER SERVICES LIMITED

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-009206

Procurement identifier (OCID): ocds-h6vhtk-05ed97 ([view related notices](#))

Published 2 February 2026, 6:42pm

## Scope

## Reference

2025 0187

## Description

Anglian Water Services Ltd (Anglian Water) is undertaking a procurement exercise to establish a framework agreement with up to 2 bidding entities to undertake design and construction of major projects to support delivery of its capital delivery.

The requirements under this framework are set out in the tender documents and include early contractor involvement, design, construct and commissioning services to deliver major projects in both water and water recycling business streams. Each successful bidding entity must have the capability and capacity to deliver all aspects of the design and construction activities set out within the scope of the framework agreement as detailed in the tender documentation. This includes the appropriate supply chain ecosystem to support delivery of projects.

## **Commercial tool**

Establishes a framework

## **Total value (estimated)**

- £1,500,000,000 excluding VAT
- £1,800,000,000 including VAT

Above the relevant threshold

## **Contract dates (estimated)**

- 27 July 2026 to 26 July 2031
- Possible extension to 26 July 2036
- 10 years

Description of possible extension:

The framework agreement is structured with an initial term of 5 years, commencing circa July 2026, with the option to extend by up to 5 years, subject to business need and suppliers' performance. This allows for a maximum total duration of 10 years, ending no later than circa July 2036.

## **Options**

The right to additional purchases while the contract is valid.

The right to additional purchases while the Framework Agreement is valid.

In line with the nature of the framework agreement, Anglian Water reserves the right to expand the scope of works under this framework agreement to respond to evolving regulatory, environmental, and programme needs. Options may include, but are not limited to:

Geographic Expansion: Inclusion of additional areas or project sites within or adjacent to Anglian Water's existing regions.

Technology and Innovation: Adoption of new and emerging technologies to enhance the quality and efficiency of works.
