#### **II.2.9) Information about the limits on the number of candidates to be invited**

Envisaged minimum number: 5

Maximum number: 10

Objective criteria for choosing the limited number of candidates:

It is the Authority's intention to down select to between approximately 5 and 10 highest scoring suppliers who will be invited to tender providing they meet the overall score of a pass within the PQQ. If a supplier receives a fail to any question within the PQQ, they will automatically fail the evaluation and not be invited to participate further.

Pass – A pass mark will be awarded where the potential provider can demonstrate that they have the capability to deliver the subject of this requirement. This will be by the potential provider submitting evidence that they have appropriate knowledge, experience or appropriate current certification in line with the nature of the specific question.

Fail – A fail mark will be awarded where the response fails to demonstrate that the potential provider has the appropriate capability to deliver the subject of this requirement. This would be where the potential providers response fails to provide evidence of experience with supply of the appropriate equipment, failure to provide evidence of obsolescence management, failure to provide evidence of appropriate certification or providing certification which is no longer valid or extant
