#### II.1.4) Short description

Established in 2004, Procurement for Housing (PfH) is a national procurement consortium dedicated to the social housing sector and supported by the National Housing Federation (NHF), Chartered Institute of Housing (CIH) and HouseMark. Collectively our Members manage more than 75% of UK' social housing stock, with PfH helping them to achieve efficiency savings using a wide range of services including framework agreements, spend analyses, strategy reviews, consolidated billing and comprehensive reporting. PfH is a contracting authority under Regulation 2 of the Public Contracts Regulations 2015 ("PCR 2015") and a central purchasing body under regulation 37 PCR 2015.

Please refer to [www.pfh.co.uk](http://www.pfh.co.uk) for additional information.

PfH is administered by Inprova Limited and is headquartered in the North West of England with over 20 years of expertise and experience offering a complete procurement solutions package across outsourcing, technology and consultancy. By integrating procurement services and technology, Inprova operates as a delivery partner, supporting business performance improvement for the public sector.

PfH is seeking professional and experienced suppliers to form a framework agreement for Technologies for Independent Living: Telecare, Telehealth Solutions. The Framework Agreement will be for an initial period of three (3) years with an option to extend for a further twelve (12) months.

The scope of the agreement covers multiple product categories which includes a core list

of Telecare and Telehealth equipment and solutions including but not limited to; telecare equipment and associated services, telehealth solutions, telecare monitoring services and solutions, call monitoring and data applications, software and cloud based services and integrated managed services.

Bidders should note that the estimated total Lot values provided within Document 1 - Invitation to Tender and in the Contract Notice, represent the estimated maximum spend ranges for each Lot. However, Tenderers should note that we expect the total value of the Framework Agreement across all lots to be less than that total sum, as it is unknown which contracting route will be selected by PfH Members.

### **II.1.5) Estimated total value**
