II.1.4) Short description

This notice is to provide an update for GP's and pharmacies based in Bristol on the Bristol Primary Services contracts.

Please note this is NOT a framework. Eligible providers can register interest for contracts for these services by advising which service (or referred to as "lot") they are interested in and completing an eligibility form as these services can only be delivered by GP's or pharmacy's based in Bristol.

This procurement process will be conducted in accordance with the requirements of the Provider Selection Regime 2023.

Any providers interested in registering interest for these services can do so through the Procontract project. For support on how to do this please register interest for our provider event.

Any expressions of interest will need to be reviewed by the commissioning team to determine eligibility before award. It should be noted that any expressions of interest will be reviewed at the Council's earliest convenience however 30 days should be allowed to complete this. There is no end date for providers to register interest, this will remain open for the duration of the contract terms.

In order to support GP and Pharmacies we will be holding a supplier engagement day on the 17th March via Teams. This event is provide further information on using the

Procontract system to register for contracting of any of these services. To register interest to attend the event and receive further details on how to attend please send a message through the Procontract message function or via email to Rachel.Metcalf@bristol.gov.uk
