II.2.4) Description of the procurement

Wiltshire Council is seeking a Contractor for its Term highways maintenance service. This includes construction, foundation and surface works, routine, reactive and safety maintenance, repairs and cleansing operations, signing and lining, repairs and maintenance to structures, drainage CCTV investigations and repairs, and street lighting maintenance repairs and replacements. The provision of parish stewards and out of hours emergency

services and a winter maintenance service for the provision of drivers on standby to operate the gritter fleet.

Wiltshire Council's Term Highways Maintenance Contract is for the provision of a highways maintenance service to undertake a programme of maintenance and improvements of the highways and highway assets on the highway roads network or other land including Council land in Wiltshire and associated infrastructure.

The service will include construction, foundation and surface works, routine, reactive and safety maintenance, repairs and cleansing operations, signing and lining, repairs and maintenance to structures, drainage CCTV investigations and repairs, and street lighting maintenance repairs and replacements. It also includes the provision of parish stewards and out of hours emergency services and a winter maintenance service for the provision of drivers on standby to operate the gritter fleet.

The Minimum Spend is £3 million pa The average spend is £15 million per annum and the potential spend is £30 million per annum depending on funding from other sources.

The contract also requires the contractor to reduce the carbon footprint of construction and maintenance activities over the life of the contract and consider resilience to changing conditions and extremes of weather. TUPE will also apply to this contract.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

120

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
