The University of Chester is tendering for its card acquiring which includes the processing, authorisation and settlement of the University's debit and credit transactions via all payment channels including customer present (Chip and PIN/contactless payments), customer not present (Mail Order / Telephone Order) and online (e-commerce). The University is seeking to develop efficient and cost-effective merchant service arrangements which will be capable of meeting future market and technological changes, and which will meet, and often exceed, user expectations. It is looking for a relationship with an organisation which it can be confident will fulfil all the University's current and future requirements. It is important that any potential acquiring partner can add value through an effective dedicated corporate support team backed up by a proactive education sector specialist Relationship Manager. Any queries regarding this Tender should be submitted through the In-Tend.
