Main site or place of performance

SCOTLAND

II.2.4) Description of the procurement

The scope of the contract is to provide audio-visual production services to Scottish Water for large and small-scale in person, hybrid and digital events. You will be expected to work with Scottish Water and its appointed creative partners to understand event design and provide creative audio-visual production solutions. You will be expected to provide solutions for activities and set production, source and supply reliable and effective audio-visual equipment and event kit for production of events, transport and install audio-visual equipment, attend set-up days and provide on-site support on event days. Where digital platforms are required you will be expected to provide reliable, innovative, multi-functional interactive solutions. We also expect you to provide platform support to SW event organisers and contributors.

Section VI. Complementary information

VI.3) Additional information

Scottish Water will not accept the SPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the FTS Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Scottish Water reserves the right to divide the scope of the contract into lots at tender and contract award stages as it deems appropriate. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination
