### **II.2.4) Description of the procurement**

The Council is seeking a Strategic Delivery Partner to deliver a series of high-quality public realm and highway improvement works across Oldham and its Local District Centres. The Partner will have the financial means, relevant experience, skills and resources, and will adopt a partnership working approach that will add and supplement to the partnering ethos of NEC4 and promote collaborative working prior, during, and post construction. The Partner could be a single organisation or group of organisations that bring together the necessary expertise, techniques, and collaborative approach to partnership working.

The Sustainable Oldham Strategic Partnership Agreement (SOSPA) is intended to promote a partnering and collaborative approach to delivering a programme of construction works where Partner and Employer work together to optimise delivery and remain committed to continuous improvement.
