Description

East Sussex County Council (ESCC) requires translation and interpreting services in order to meet our commitment to delivering accessible and effective services to the diverse communities within the County.

ESCC currently acts as lead authority for an Interpreting and Translation Framework which is also accessed by Brighton & Hove City Council, Surrey County Council, West Sussex County Council, NHS Trusts, and District and Borough Councils across East and West Sussex and Surrey.

The current framework began on 1st January 2022 and is due to expire on the 31st December 2025.

This event is to explain what services we anticipate are needed, provide information on the current Framework and the current thinking about potential changes for the next iteration, and to allow for questions or comments on our proposals.
