Services

II.1.4) Short description

The Authority is looking to engage with the market on a pre-market engagement exercise in relation to its requirements for mechanical and electrical services. Interested providers are welcome to review the supporting information and complete and submit the engagement questionnaire by the closing date and time.

The engagement pack has been prepared to provide background information on our current approach and areas under consideration. We value all feedback through this exercise to assist in developing our understanding of the market and factors affecting it, as well as aid development of the tender pack and understanding the future interest in our tender opportunity, which is due to be released in August 2021.

Please visit our e-tendering portal website to download the pre-market engagement documents. Please submit your completed questionnaire, at any time prior to closing date, via the portal Messaging Area. Thank you for your assistance.
