VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The National Procurement Service (NPS Wales) novated control of this framework agreement to Caerphilly County Borough Council in April of 2020.

Since that time, the framework agreement has been extended due to numerous reasons.

The Council and framework participants have taken the decision to extend the framework agreement for a further period of up to three (3) months to bring The Supply and Distribution of Fresh Food and Beverages (NPS-FOOD-0068-2016) and The Supply and Distribution of Packaged Food and Beverages (NPS-Food-0069-16) arrangements to co terminate on the 26th November 2023

The modification will not change the overall nature of the framework agreement, as the

contractors will still be supplying the same goods on the same terms as previously agreed.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The Council and framework participants have taken the decision to extend the framework agreement for a further period of up to three (3) months to bring The Supply and Distribution of Fresh Food and Beverages (NPS-FOOD-0068-2016) and The Supply and Distribution of Packaged Food and Beverages (NPS-Food-0069-16) arrangements to co terminate on the 26th November 2023

By extending this arrangement to the 26th November 2023 it will mean that a new coterminous agreement can be put in place for the Welsh Public Sector Collaborative Food Group and work on this has already started.

If any suppliers are interested in this new arrangement they are welcome to email CCBCFood@caerphilly.gov.uk to gain more information.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £7,000,000

Total contract value after the modifications

Value excluding VAT: £77,000,000
