VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

MOPAC extended its current contract within the terms of the existing contract which permits a 2 year extension after the original 3 year term had elapsed. This extended the existing contract from April 2020 to April 2022. The contract provides staff restaurant facilities, operational feeding, hospitality, detainee feeding and vending services. This is a modification of the existing contract to allow the inclusion of further subsidy payments. Due to the decreasing size of the estate and reductions in both buildings and headcount due to austerity measures the nature of the services that has to be delivered across the various areas of service provision

has changed making the original assumptions of the contract no longer accurate and viable as envisaged at contract inception in 2017. Furthermore, the effect of COVID 19 has had additional large impact on the footfall and headcount of sites across the entire estate, deeming the contract no longer accurate and viable as envisaged at contract inception in 2017. Following audit of the continuing financial viability of the contract it was defined that a subsidy would need to be made to Elinor UK Services will be paid. The character of the contract and the services to be delivered will remain substantially the same.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

See Section VII.2.1).

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £5,500,000

Total contract value after the modifications

Value excluding VAT: £11,891,069.67
