## Powerboat Engines

West Yorkshire Fire and Rescue Authority

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-009336

Procurement identifier (OCID): ocds-h6vhtk-061519

Published 3 February 2026, 10:43am

## Scope

## Reference

WYFRS4051

## Description

West Yorkshire Fire and Rescue Service (WYFRS) is seeking to procure between 5 and 7 powerboat engines compatible with our existing water rescue vessels. The engines will be required to fit the SIT RescueQCraft 4700 model currently in operational use.

As part of the procurement, WYFRS may also require the successful supplier to provide ongoing engine maintenance through an annual service contract and/or deliver training to internal personnel to enable them to undertake minor repairs and routine maintenance activities.

The replacement engines must deliver a comparable level of performance to that required for MOD4 capabilities, aligned with the UK Fire & Rescue Service's Swiftwater and Flood Rescue Boat Operator standards. This is necessary to ensure compliance with West Yorkshire Fire and Rescue Service (WYFRS) requirements and to maintain both local and

national response capability arrangements.

### **Total value (estimated)**

- £37,500 excluding VAT
- £45,000 including VAT

### **Contract dates (estimated)**

- 13 April 2026 to 12 April 2028
- Possible extension to 12 April 2030
- 4 years

### **Main procurement category**

Goods

### **CPV classifications**

- 34930000 - Marine equipment

### **Contract locations**

- UKE4 - West Yorkshire

## **Engagement**

## Engagement deadline

23 February 2026

## Engagement process description

West Yorkshire Fire and Rescue Service (WYFRS) is inviting expressions of interest for an upcoming tender for Powerboat Engines. (WYFRS4051)

WYFRS is looking to assess the market's interest and its ability to bid for and deliver this upcoming contract. A high-level overview of the key requirements is outlined below, the full details will be provided in the tender documentation:

West Yorkshire Fire and Rescue Service (WYFRS) is seeking to procure a number of powerboat engines compatible with our existing Water Rescue vessels. The engines will be required to fit the SIT RescueQCraft 4700 model currently in operational use.

As part of this procurement, WYFRS may also require the successful supplier to provide ongoing engine maintenance through an annual service contract and/or deliver training to internal personnel to enable them to undertake minor repairs and routine maintenance activities.

The replacement engines must deliver a comparable level of performance to that required for MOD4 capabilities, aligned with the UK Fire & Rescue Service's Swiftwater and Flood Rescue Boat Operator standards. This is necessary to ensure compliance with West Yorkshire Fire and Rescue Service (WYFRS) requirements and to maintain both local and national response capability arrangements.

The purpose of this pre-market engagement is to gather information from the market to support the refinement of our technical specification and to ensure that the most suitable, up-to-date products and support options are considered prior to commencing a formal procurement process.

Suppliers expressing an interest in this process are invited to complete a short information sheet, please contact [tenders@westyorksfire.gov.uk](mailto:tenders@westyorksfire.gov.uk) quoting WYFRS4051 (Powerboat Engines) to request the sheet.

The tender is expected to be issued approximately March 2026, with a contract start date approximately April 2026. The contract term will last a minimum of two years, with options to extend for a further two x one-year periods, bringing the total duration to a maximum of four years. The estimated cost for the full contract term is between £35,000 and £37,500.

Once completed please return the form to [tenders@westyorksfire.gov.uk](mailto:tenders@westyorksfire.gov.uk) by 23rd February 2026.

Please note that this request for information (RFI) is not a call for competition. Further details will be made available in the official tender documents upon publication.

Any information provided in regard to this Preliminary Engagement Notice may or may not be used in the final technical specification.

WYFRS reserve the right to discuss requirements with any supplier beyond this initial notice before any competitive tender process is undertaken.

We also recommend that you register with the West Yorkshire Fire and Rescue Service's E-Procurement system, 'In-tend,' at the following link: In-tend portal.
