Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Defence Digital, part of the UK Ministry of Defence, proposes to place a Contract with CGI IT UK Ltd for the continued support of the SPECTRUM management capability. It is considered that this contract can be placed using the Negotiated Procedure without Prior Publication pursuant to Article 28(1) of Directive 2009/81/EC (and Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations 2011) due to technical reasons.

CGI integrate a COTS tool from another company using their own code that the Authority does not own the rights to. This tool provides the capability to conduct complex Spectrum engineering and analysis of specific operational scenarios, effective Spectrum planning and live monitoring of the electromagnetic environment. CGI provide a single capability that is not currently available (by a single company) in the marketplace.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
