This Prior Information Notice is to inform any interested suppliers of a soon-to-be released Request for Information (RFI) which will be the initial step in Defra's procurement activity of a future End User Services contract. This RFI will be available shortly. Any interested suppliers wishing to receive the RFI are requested to email Claire Jameson at the email address shown, if suppliers have not already done so. The pre-market engagement will be run out of the Defra Data Room and not its E-Commercial system Atamis. On receipt of your supplier email, suppliers will be set up and invited to the Data Room. This is not a call to competition and suppliers advised that the RFI will not be evaluated.
