Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Safety Case and Peer Review Services Framework

II.1.2) Main CPV code

- 71356300 - Technical support services

II.1.3) Type of contract

Services

II.1.4) Short description

DSRL are seeking to establish a Framework Agreement to provide Safety Case and Peer Review Services. It is proposed that the Framework Agreement is split into two Lots, one for Safety Case and one for Peer Review and four Consultants, per Lot, shall be awarded a Framework Agreement. The duration of the Framework Agreement shall be a maximum of 4 years (2+1+1) commencing August 2022 potentially through to July 2026 subject to extension. The estimated cumulative value of contracts that may be awarded through this Framework is £8M. It is anticipated that call-off Contracts will be up to £250k in value. Although the Employer reserves the right to award Contracts in excess of £250k if required.

II.1.5) Estimated total value

Value excluding VAT: £8,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Safety Case and Peer Review Services Framework

Lot No

0

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services
- 71356300 - Technical support services

II.2.3) Place of performance

NUTS codes

- UKM61 - Caithness & Sutherland and Ross & Cromarty

II.2.4) Description of the procurement

DSRL are seeking to establish a Framework Agreement to provide Safety Case and Peer Review Services. It is proposed that the Framework Agreement is split into two Lots, one for Safety Case and one for Peer Review and four Consultants, per Lot, shall be awarded a Framework Agreement.

The duration of the Framework Agreement shall be a maximum of 4 years (2+1+1) commencing August 2022 potentially through to July 2026 subject to extension. The estimated cumulative value of contracts that may be awarded through this Framework is £8M. It is anticipated that call-off Contracts will be up to £250k in value. Although the Employer reserves the right to award Contracts in excess of £250k if required.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £8,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

The initial award will be for a period of two years (August 2022 to July 2024). Thereafter, two further one-year extensions can be awarded at the sole discretion of the Employer. Any extension to the initial two-year period will be based upon the continued requirement for the Framework Agreement and the performance of the Consultants.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 8

Objective criteria for choosing the limited number of candidates:

DSRL will select a maximum of 8 Tenderers, per Lot, to participate in the tendering stage of this process

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Dounreay Site Restoration Limited (DSRL) is the site licence company responsible for the clean-up and demolition of Britain's former centre of fast reactor research and development.

DSRL is a wholly-owned subsidiary of the Nuclear Decommissioning Authority (NDA). It is funded by the NDA to deliver the site closure programme.
