Text

Birmingham City Council is seeking to appoint suitably qualified and experienced provider(s) to develop, co-ordinate and manage the delivery of the Holiday Activity and Food (HAF) programme for children and young people, in line with Department of Education and Council's requirements. The Council has split the management of this

large-scale programme into the following two lots. The Council will be happy to award this contract to either two providers (one provider per lot) or one provider to deliver both lots, depending on the option that is Most Economically Advantageous for the council. Providers who wish to bid to manage the entire programme will need to demonstrate value for money/savings through economies of scale. Lot 1: Overall Programme Management Partner (OPM) Lot 2: Programme Management of Food and Standards (FPM) The contract will be for 1 year with the option to extend four times for an additional 12 months each extension (1+1+1+1), each extension will be subject to available funding and satisfactory performance.

Lot 2: Programme Management of Food and Standards (FPM) This Organisation will have overall responsibility for the successful coordination and management of food required for the programme. The OPM will be responsible for managing the FPM to ensure that all programme attendees receive at least one meal a day that meets food safety and School Food Standards. The OPM will need to work closely with the FPM to review the food offer available via the Activity Providers, following each grant round and plan for the provision of meals through the central food supply. FPM will be required to commission the local food provider(s) and logistically manage the distribution of the central food supply. The details of these requirements are set out the corresponding service specification for Lot 2.
