VII.1.4) Description of the procurement:

The extended timeframe for the provision of in market representation will be used to allow Research FDI to continue to provide the WMGC with representation in market and to continue to build on the current pipeline of qualified inward investment potential. They have spent significant resource on developing the leads, so it would be ideal to allow time for them to convert these leads. This contract is being extended to provide continuity of service between the current end of this contract and the completion of the tendering process for future in market representation within this market.

VII.1.5) Duration of the contract, framework agreement, dynamic purchasing system or concession

Start date

31 March 2023

End date

30 June 2023

VII.1.6) Information on value of the contract/lot/concession (excluding VAT)

Total value of the contract/lot/concession:

£76,950

VII.1.7) Name and address of the contractor/concessionaire

Research Consultants International

1980 Sherbrooke Street, West Montreal, Quebec

Canada

Country

Canada

NUTS code

- CA - Canada

Justification for not providing organisation identifier

Not on any register

The contractor/concessionaire is an SME

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The extended timeframe for the provision of in market representation will be used to allow Research FDI to continue to provide the WMGC with representation in market and to continue to build on the current pipeline of qualified inward investment potential. They have spent significant resource on developing the leads, so it would be ideal to allow time for them to convert these leads. This contract is being extended to provide continuity of

service between the current end of this contract and the completion of the tendering process for future in market representation within this market.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Need for additional works, services or supplies by the original contractor/concessionaire. Description of the economic or technical reasons and the inconvenience or duplication of

cost preventing a change of contractor. To ensure continuity of service we require our current incumbent to continue service until

the 30th June which will be completion of a new tendered In Market Representation contract.

Regulation 72. (b) for additional works, services or supplies by the original contractor that have become necessary and were not included in the initial procurement, where a change of

contractor:

(ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £79,722.22

Total contract value after the modifications

Value excluding VAT: £88,380.55
