#### **II.1.2) Main CPV code**

- 45210000 - Building construction work

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

The project seeks to re-design the overall layout of the site by demolishing Livin owned void properties to allow for the construction of a new road and associated infrastructure creating new access for two of the courts. In conjunction with this work the estate will undergo a remodelling of the external facades and landscape, offering plot specific off-street parking and newly configured garden spaces. In addition to these improvements Livin is proposing to carry out whole house retrofit to their 'not for sale' properties to improve energy efficiency and reduce carbon emissions.

As part of the re-design of the overall site, the requirement to relocate the entrances to some of the properties on the project will be essential. Livin intends to undertake various conversions, remodelling and use this opportunity to carry out additional internal improvements to their existing void properties. The existing flats in the courts will be converted into family homes with adapted facilities. 15 of the remodelled properties will be sold on the open market for owner occupation.
