Other information

Description of risks to contract performance

There is a risk that changing business or operational requirements may require equipment to be added or removed. The contract allows for such changes in line with business need. Any materialisation of this risk will be addressed through a Contract Change Notice.

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

As the OEM, the supplier is the only supplier with technical capability to repair and service the equipment. Servicing and/or repairs carried out by another supplier would invalidate the warranties.
