The Contracting Authority(s) (hereinafter referred to as “the Authority”) NHS West Essex Clinical Commissioning Group (Lead Commissioner), NHS Mid Essex Clinical Commissioning Group, NHS Basildon and Brentwood Clinical; Commissioning Group, NHS Castle Point and Rochford and Southend Clinical Commissioning Groups, NHS North East Essex Clinical Commissioning Groups, Essex County Council, Southend Borough Council and Thurrock Council, seek suitably qualified providers to tender for this Children and Young People's Mental Health Digital Service.

The Southend Essex and Thurrock (SET) Executive Collaborative Commissioning Forum is looking to improve digital and remote access to mental health support and counselling services for children and young people (CYP), enhancing the mental health of young people and their families across the seven Essex CCG localities, Essex County Council, Southend Borough Council and Thurrock Council.

Locally, commissioners recognise that CAMHS are struggling to meet growing demand from young people for mental health services and are exploring how digital technologies can help support young people in a less resource intensive way—especially where young people do not need the level of specialist community intervention that CAMHS provides.

The Provider will ensure they comply with locality policies and procedures, with particular regard to encouraging young people to be as involved as possible in planning and care

decisions and to ensure the needs and circumstances of individuals are made visible in their policy and practice. The Provider will ensure they build partnering relationships / pathway working with statutory health and social care services.
