II.2.4) Description of the procurement

Provision of community based, GP direct access to age related Adult Hearing Loss (diagnostic and management of condition through supply of devices and maintenance) and Non-Obstetric Ultrasound (NOUS). Contracts were established through an Any Qualified Provider (AQP) framework and offering choice to patients from across Greater Manchester for the last 4 years.

II.2.14) Additional information

A locally established Any Qualified Provider (AQP) framework has been in place for 4 years. The CCG has participated with other CCGs across Greater Manchester during early 2021 to procure a new AQP framework. Until this procurement completes and newly contracted services are mobilised, the CCG has assessed the need to extend for an interim duration of 6 months, the existing contractual arrangements with the current incumbent providers.

Section IV. Procedure

IV.1) Description

IV.1.1) Form of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

A locally established Any Qualified Provider (AQP) framework has been in place for 4 years. The CCG has participated with other CCGs across Greater Manchester during early 2021 to procure a new AQP framework. Until this procurement completes and newly contracted services are mobilised, the CCG has assessed the need to extend for an interim duration of 6 months, the existing contractual arrangements with the current incumbent providers.

This modification to an existing range of contracts in place under the AQP framework is assessed by the CCG to be reasonable, proportionate and lawful under Regulation 72(1)(c) of the Public Contracts Regulations 2015 (as amended)

IV.1.11) Main features of the award procedure

Modification two existing 4 year contracts, by a further 6 months each.
