VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The contract is for the extension of Insurance services excluding insurance broker services for both Solihull Metropolitan Borough Council and Solihull Community Housing

and the Urban Growth company. The contract to fulfil the requirement commenced on 1 April 2019. The contract provided for a 4-year term as contained in OJEU Contract Notice 2019/S 015-031394 of 22/01/2019.

We can confirm that the specification, pricing and terms and conditions of the original agreement will not materially change.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

Solihull Metropolitan Borough Council have recently conducted a further competition under the YPO Insurance Placement Dynamic Purchasing System (DPS) 978. Contract to commence on 1st April 2023 for 3 years with the option to extend further until March 2030.

During the tender evaluation process, the need for further clarifications on the proposed policy covers with the tender participants has been identified. The Council have been unable to meet the required timescales to award the new contract in time before 1st April 2023. In order to ensure transparency and fairness in the contract award and achieve the right procurement outcome, the Authority must defer the current procurement exercise to allow additional time to undertake further reviews and clarifications.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £5,700,000

Total contract value after the modifications
