II.1.1) Title

Provision of Logistics and Professional Services for the International Health Regulations Project (Nigeria, Ethiopia and Zambia)

II.1.2) Main CPV code

- 60000000 - Transport services (excl. Waste transport)

II.1.3) Type of contract

Services

II.1.4) Short description

Public Health England (PHE) is seeking to partner with a logistics and professional services provider who can support the delivery of PHE objectives in Nigeria (Lot 1) and / or Ethiopia (Lot 2) and / or Zambia (Lot 3). PHE's International Health Regulations (IHR) Strengthening Project, is enhancing global health security by strengthening the capability and capacity of public health institutions in Africa and Asia to comply with the WHO IHR (2005) to prevent, detect and respond to public health threats such as COVID. The Project team is working with government and public health institutions in Nigeria, Ethiopia and Zambia as part of this work and project funding has been agreed until March 2022.

The provider should be operational in Nigeria and / or Ethiopia and / or Zambia and be able to provide a range of logistics and professional services functions (i.e. arranging national and regional travel, booking accommodation, human resource management, business management and event coordination and support), to complement the technical expertise provided by PHE in these countries.

The contract value from 1 July 2021 to 31 March 2022 for the Lots are as follows:

Nigeria (Lot 1) - £100000

Ethiopia (Lot 2) - £100000

Zambia (Lot 3) - £100000

Please refer to the specification on e-tendering portal for more details, including the optional extensions available subject to funding availability.

II.1.5) Estimated total value

Value excluding VAT: £300,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots
