Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

EC0900 Lot 13 - DNA & RNA Extraction

Reference number

EC0900

II.1.2) Main CPV code

- 73110000 - Research services

II.1.3) Type of contract

Services

II.1.4) Short description

You are invited by The University of Edinburgh (UoE) to tender for a position on a lotted framework covering a wide range of Sequencing and Genotyping services.

The UoE have internally available resources and this framework is designed to support these resources. Our end-users will be encouraged to approach our internal resources first and foremost but if capability, capacity or cost isn't suitable, then successful suppliers on the framework will be able to compete for this business.

This procurement process aims to establish a family of Framework Agreements (all under the UoE procurement reference of EC0900) which shall be used to service future sequencing/genotyping projects, subject to their own project specific needs.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 73110000 - Research services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

II.2.4) Description of the procurement

Open Tender - creation of a framework

List and brief description of selection criteria

SPD Part 4C.1.2

Bidders will be required to provide 2 examples from the previous 3 years that demonstrate that they have the relevant experience to deliver the services/supplies. These examples must be of a noteworthy value and complexity to your bid. Responses should be clearly labelled and provided in a single document attached to the response box in PCS-T. Responses should contain the following information for each example: Project

Value, Dates, Client contact information, Description of Project

SPD Part 4D 1.74.1

The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001

(or equivalent). If the bidder does not hold UKAS (or equivalent) accredited independent third party certificate of compliance in accordance

with BS EN ISO 9001 (or equivalent) the bidder must have the following:

A documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the bidder has, and continues to implement, a quality management policy that is authorised by their Chief Executive, or equivalent, which is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

Minimum level(s) of standards possibly required

Tenderers must conform to a number of technical minimum requirements. Tenderers will be required to download, complete and upload the

'Minimum Standards' document as part of their Technical Envelope submission on PCS-Tender.
