PS22052

#### **II.1.2) Main CPV code**

- 73000000 - Research and development services and related consultancy services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The final date and time for the submission of bids is Tuesday, 19th April 2022 at 11:00am.

DO NOT apply directly to the buyer.

All tender information MUST be submitted through the Delta eSourcing Portal.

To support the work of the M&E hub, it is necessary for teams across BEIS to have access to specialist M&E expertise at various points in the project lifecycle. This detailed support is beyond the resources of the M&E Hub itself.

The M&E Hub have identified that the best solution for this is for the M&E hub to commission, and own, a call-off contract which BEIS teams can access. This would allow BEIS teams to efficiently commission expert support without needing to go through an external commissioning process, while also ensuring that they are supported in this area by working with a contractor who has expertise in delivering these tasks. This contract is not intended to replace the stand-alone commissioning of contracts to deliver policy evaluations.

Please ensure you review all attached information to ensure a full understanding of this requirement. All attachments can be found with the Document Uploads tab within the Delta eSourcing Portal.

This contract will be awarded based on the evaluation criteria as set out in the RFP document.

The Department for Business, Energy & Industrial Strategy (BEIS) will be using the Delta eSourcing Portal for this procurement.

To register on the Delta eSourcing portal please use the link <https://www.delta-esourcing.com/> and follow the instructions to register.

If you are already registered on the Delta eSourcing Portal and wish to participate in this procurement, please use the link: <https://www.delta-esourcing.com/> and the follow the instructions to 'Log in'.

Once you are logged into the system you will be able to link yourself into this procurement using the Access Code: 6U92B4CY5T
