Competitive flexible procedure

Competitive flexible procedure description

The procedure is a two-stage process:

- Stage One (Selection) - Suppliers are alerted to express an interest to a contract opportunity by obtaining and submitting a Procurement Specific Questionnaire (PSQ); this will be used to establish their capability, experience and suitability etc. The purpose of the PSQ is to select a shortlist of 5 (or more) suppliers which are likely to meet the tender requirements.

- Stage Two (Award) - Shortlisted suppliers which meet the selection criteria are then invited to bid.
