### **Scope**

### **Reference**

BSU/2025/008

### **Description**

Bath Spa University is seeking an experienced systems integrator to support the refurbishment of its TV Studio facilities at Newton Park Campus. The project involves the design, procurement, fit-out, integration, and commissioning of a complete end-to-end solution for the University's multicamera TV production environment.

The existing facilities, installed in 2013, include two production studios, a TV studio gallery, a central apparatus room, two audio mixing studios, and nine postproduction edit suites. After twelve years of continuous use, the infrastructure is due for a technical upgrade. The supplier must also provide maintenance and service contracts for a minimum of five years following installation.

### **Total value (estimated)**

- £0 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 5 June 2026 to 4 September 2031
- Possible extension to 4 September 2036
- 10 years, 3 months

Description of possible extension:

Possible extension of 5 years subject to requirement and performance.

### **Main procurement category**

Services

### **CPV classifications**

- 51310000 - Installation services of radio, television, sound and video equipment

### **Contract locations**

- UKK12 - Bath and North East Somerset, North Somerset and South Gloucestershire
-
