Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a specialised service that needs to be brokered and managed by a provider with excellent in depth knowledge of local cluster network priorities and established, robust partnership links with all third sector organisations providing services in that area. The organisation is able to liaise effectively, rapidly and with vigour to access the relevant third sector organisations that can provide the services that will meet the identified needs of the populations across the 5 GP Cluster Networks based in Swansea. The provider is based within the local area and is able to demonstrate ongoing local knowledge of available services. The provider also has an established link with Cluster Networks via an existing mechanism and an ability to establish those links within a short time frame. The provider has a proven and well established ability to develop and maintain partnerships locally is necessary and has a track record in securing value for money initiatives which include opportunities to seek and secure matched funding opportunities that meet local community and population needs.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure
