II.1.4) Short description

Brighton & Hove City Council (BHCC) have established a DPS in respect of Community Support and Supported Living services and are about to reopen the admission stage for new applications and reapplications. This 'Round' will be open to new or previously unsuccessful Providers to submit their application.

BHCC warmly invites you to take part in our Market Engagement Event for potential and existing providers of Community Support and Supported Living services.

The purpose of this event will be to:

- Share with you our strategic vision and priorities for the development of Community Support and Supported Living provision in BHCC.
- How to tender for the DPS and indicative timetable

Any interested organisation or consortium with the experience, capability and capacity to deliver Community Support or Supported Living services as laid out in this PIN notice may register for the Market Engagement Event. BHCC welcomes collaborations and partnerships organised within a lead provider model.

The detailed service requirements will be made available at tender stage.

It is anticipated that the tender opportunity will be published by mid-April 2024 through: <https://www.sesharedservices.org.uk/esourcing>

Lot 2: Supported Living

This lot covers Supported Living services where support is provided alongside a tenancy or licence agreement for adults with learning Disabilities and who may also be autistic, mental health needs, Neurodivergent and who may also be autistic, acquired brain injuries, physical disabilities and/or sensory needs or substance misuse and eligible Care Act needs.

People will have their own individual tenancy or licence agreement for their accommodation and are liable to pay rent. When individuals are assessed as not having capacity to sign a tenancy or licence agreement the relevant Assessment team will make an application to the Court of Protection. Rent can be met by Housing Benefit or through Housing Costs under Universal Credit if the person is eligible for these benefits.

Accommodation may have been identified in advance or Service Providers will be expected to source accommodation. This will be identified at the Call-Off Stage.

The Supported Living Service will provide outcome focussed support that meets the aims and goals agreed with each Individual. The Service must provide person-centred support and a strengths-based approach.

Support models will vary depending on a person's needs. Most Services will operate a model of shared care and may provide 24-hour Staff on site, where Staff work night shifts, either waking or sleeping at the Service. The Service Provider and the Council will discuss the support model at an early stage.

The Service will provide a place of safety, security and stability.

If the Service Provider is sourcing accommodation, they must meet the accommodation standards as detailed in the Specification.
