Description

You are invited to submit a quote for the following requirements; On Demand Training System for External Users.

Your response must be electronically uploaded to the website as stated in the link below only, to arrive in good

time, no later than the Bid Return Date:

12 noon Wednesday, 02 July 2025

CPI is looking to expand its external training offering by introducing on demand online training capabilities. We require an online hosting platform capable of running on demand SCORM training packages to sell our courses to customers. This will enable our

customers to take training at their own pace. It needs to integrate to a payment gateway, preferably Stripe as this is currently in use, and accept a variety of learning content including SCORM packages, PDFs, videos and pictures.
