II.1.4) Short description

National Highways are seeking to engage with suppliers that can provide a replacement vehicle for our Traffic Officer operation. It is envisaged that the route to market will be through the CCS RM6060 framework, however this PIN is to signal to the market that we are looking for vehicles to enable a final decision on route to market to be defined. Further information on the CCS framework is available by visiting <https://www.crowncommercial.gov.uk/agreements/RM6060>.

When tendering for new vehicles focus is given to the lowest emission vehicles with the lowest whole life costs that can meet the specification.

A full description of the specification required for a Traffic Officer is in the attached Expression of interest form. To be able to provide a turnkey solution to include vehicle conversion is preferable but not mandatory.

Please register your interest to participate in this market research by completing the attached Expression of Interest Form to provide initial details of the vehicles you can provide and current expected lead times for delivery. Please email your completed forms to ADProcurement@nationalhighways.co.uk
