II.1.4) Short description

Wokingham Borough Council is seeking to establish a Framework which uses the Light Touch Regime allowances of the Public Contracts Regulations 2015 for the provision of Domiciliary / Home Care and Supported Living. The framework will be used to procure both Home Care and Supported Living services to allow the right care to be delivered to residents which is efficient, sustainable, cost effective and in line with procurement regulations to support them towards reablement and independence within the community.

All suitably qualified providers are invited to send an application to join the framework. The Council will evaluate applications in line with the criteria as set out in this document; all Providers that meet the entry criteria will be placed onto the framework.

The framework is divided into lots to reflect the different demands of care although a range of care packages will be called-off through each lot to include physically assistive home care, dementia home care, mental health services, learning difficulties service, and reablement care.

Providers may apply for singular, multiple or all Lots as they wish.
