I.4) Type of the contracting authority

Ministry or any other national or federal authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Audit of Broadband Installations

Reference number

101063

II.1.2) Main CPV code

- 72150000 - Computer audit consultancy and hardware consultancy services
 - JA18 - For auditing

II.1.3) Type of contract

Services

II.1.4) Short description

As part of the Scheme's value for money controls, there is a requirement to conduct audits of certain completed installations to confirm that the installations are compliant with the terms of the scheme.

There could also be a requirement to conduct pre-installation audits.

The Supplier will be required to gather specified information about certain broadband installations which have been funded (or part-funded) by the Scheme.

The locations of the broadband installations which require an Audit will be notified by BDUK to the Supplier on a weekly basis. Suppliers will be required to complete the required audits within a specified timescale.

The Services may be required for installations at any UK postcode.

II.1.5) Estimated total value

Value excluding VAT: £2,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

Tender for Auditing of Broadband Installations (UK Wide)

Lot No

0
