The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

In accordance with regulation 4 of The Defence and Security Public Contracts (Amendment) (EU Exit) Regulations 2019 (SI 2019/697) this procurement falls to be regulated under the provisions of the Defence and Security Public Contracts Regulations 2011 as amended (in particular by SI 2019/697 and SI 2020/1450). Prior publication of a contract notice in the Official Journal of the European Union is no longer appropriate.

The Secretary of State for Defence intends to award Leonardo UK Ltd a contract for a duration of 3 years with options to extend for a further two years for In Service support with the capability to conduct maintenance and repairs of the SG200D.

This contract can be placed using the negotiated procedure without prior publication of a contract notice pursuant to regulation 16(1)(a)(ii) of the Defence and Security Public Contract Regulations 2011 for technical reasons. Leonardo UK Ltd is the original equipment manufacturer and Design Authority for SG200D and only Leonardo UK Ltd has at its disposal the necessary technical knowledge, skills, tools and equipment to provide these services.

In addition, any modifications to the SG200D must be underwritten by the DA to provide the MoD with the required assurances that the modifications will not compromise either operational effectiveness or system safety.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
