### **Scope**

### **Description**

NHS Midlands and Lancashire Commissioning Support Unit (MLCSU) is working on behalf of North Staffordshire Combined Healthcare NHS Trust (NSCHT) who are looking to undertake a

Competitive Process for a Crisis Alternative Provision for Stoke on Trent & North Staffordshire .

The service is intended to provide a Crisis House / Sanctuary / Safe Haven-type service for those in Mental Health crisis, as an alternative to hospital admission. There will be an expectation for the service model to support and align with the forthcoming 24/7 Neighbourhood Mental Health Centre as part of NHS England's Quality Transformation Programme. NSCHT would like to invite all potential providers to attend an online Engagement Event

on Wednesday 25th February 2026 14:00pm-15:00pm via Microsoft Teams.

The purpose of the Engagement Event is to share the background and the need for this service locally and share the intended outcomes of the service. Commissioners would like to understand the current market and their perspectives.

Interested providers can register their interest on the Atamis Portal. The Trust would also like to invite potential providers to answer some additional questions in the short questionnaire in project C419150'2026 Event NSCHT Crisis Alternative Provision for Stoke on Trent & North Staff'. These questions are intended to provide information to the Trust only, and will not scored competitively.
