No Conflicts of interest have been identified among TechnoMed or SWL ICB Members.

The key criteria were used by SWL ICB to assess the providers ability to continue to deliver the service for one year (6 months + 6 months) from 1st March 2026 to 28th February 2027, the services provided are necessary to meet the needs of the population of Merton by delivering community based ECG Diagnostics services to the residents of Merton and those registered with a Merton GP practice. The provider has maintained the levels of quality and performance as indicated in the service specifications and we are confident they will continue to do so. The Provider has been assessed on their ability to deliver services as listed in section II.1.4. The provider has maintained a level of performance in Key criteria 1, 2 and 4 by ensuring equality of access to patients and services embedded in primary care, enabling ECG testing to be delivered closer to home. They have integrated with system partners as required in Key Criteria 3 and has a progressive approach to delivering Key Criteria 5.
