Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply of Routine and Corrective Maintenance Services for Class 170 Diesel Rolling Stock

II.1.2) Main CPV code

- 50222000 - Repair and maintenance services of rolling stock

II.1.3) Type of contract

Services

II.1.4) Short description

XC Trains Limited (CrossCountry) is seeking proposals under a private tender in accordance with CrossCountry's Procurement Policy, from established maintainers of rolling stock for the supply of routine and corrective maintenance, materials supply and stabling services for its class 170 (Turbostar) fleet. CrossCountry's Turbostar fleet currently comprises 80 vehicles formed in 2 and 3-car configurations.

The CrossCountry network is the most extensive rail franchise in Britain, calling at more than 100 stations. We serve 7 of the 10 largest UK cities with 7 routes radiating from our central hub in Birmingham.

CrossCountry will be seeking proposals in accordance with a possible direct award of a national rail contract with the Secretary of State for Transport, with a contract term between 4 and 8 years.

Interested parties should register their interest via the email address provided.

For the avoidance of doubt, CrossCountry is advertising this opportunity under a voluntary basis and not as mandatory requirement under the Utilities Contracts Regulations 2016

II.1.5) Estimated total value

Value excluding VAT: £144,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 50222000 - Repair and maintenance services of rolling stock

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

CrossCountry operate the most extensive passenger rail franchise in Britain. It calls at more than 100 station, serving 7 of the 10 largest cities in the UK. As part of the planning for a future direct award from the Department for Transport, CrossCountry is seeking to invite expressions of interest and tenders for the supply of maintenance services for its Class 170 (Turbostar) diesel fleet.

CrossCountry currently operates 80 Class 170 vehicles, comprised of 2 and 3-car variants. The Class 170 fleet was built between 1998 and 2002 and is fitted with a diesel drive with a hydraulic transmission.

The maintenance services required are expected to comprise all light maintenance activities (levels 1 to 4 maintenance), planned maintenance tasks, defect repairs, supply of materials, fuelling, stabling, associated labour and depot access to complete the work. CrossCountry is also expecting that interested applicants will be able to offer technical support knowledge to improve and develop the Class 170 fleet.

The contract term is expected to be between 4 and 8 years, commencing in late 2023 or 2024. Interested applicants should note that the further direct award from DfT is not guaranteed.

Interested parties should register their interest in taking part by emailing Brian.Holland@crosscountrytrains.co.uk to receive further information. A supplier selection stage will be used to evaluate applicants' suitability to proceed to the tendering stages.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

15 October 2023

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

Section IV. Procedure
